

ADKINS/FORD SCHOLARSHIP FUND APPLICATION

This scholarship fund is for children whose parents work in the pest control industry in South Carolina. The scholarships will be for one year on a need basis. The pest control firm must be a member of the SCPCA. Scholarships awarded will be a minimum of \$500. Applicants must write a two or three paragraph essay about why the committee should award them the scholarship and submit a photo. All applicants must attend a school above and beyond the high school level.
