

Charity Auction Benefiting Adkins-Ford Scholarship

Held at the South Carolina Pest Pro Summit
February 12-14 – Columbia Metropolitan Convention Center

As you are aware, the **Adkins-Ford Scholarship** is an outstanding commitment by the SCPCA each year to help deserving college students achieve their dreams. I am writing to ask if you are willing to donate this year to our **SCPCA Silent Auction** to be held at the winter meeting in Columbia, SC February 12-14.

We are in the final stretch for securing gifts and have had many generous donations made by our valued vendors and pest management professionals to help us keep the scholarship alive! **YOUR HELP IS ESSENTIAL TO OUR SUCCESS.**

Please consider donating ASAP so we can offer the same level of support to SCPCA family members in 2017. As a reminder, many of you had children benefit from this scholarship in 2016. Congratulations to you and your students!!!

Please donate today.
